

# Support to Youth Employment and Social Inclusion in Underdeveloped Areas

## ABOUT CALL

The objective of this Call for Proposals (CfP) is to contribute to employment of youth and social inclusion of vulnerable and marginalised groups through improving business environment in Serbia's underdeveloped areas, with an emphasis on making local businesses more sustainable and competitive, and on employment of more youth through support provisioned by the beneficiary business support entities (BSEs).

The Call was opened from 20 January until 13 March 2020 and all interested parties could submit their project proposals. During the call, Project organised four info-sessions with the participation of 96 interested beneficiaries.
